

We are seeking a dedicated, enthusiastic, pet loving individual to join our highly-qualified team as a full-time Veterinary Technician.

Our practice is a well-established, full-service, small animal emergency veterinary hospital that focuses on “Standards of Care” and comprehensive medical, surgical and dental care that a pet may need. To join our dynamic and compassionate team our ideal candidate will have strong communication skills and will be very team orientated.

We are currently looking for: **Full-Time Veterinary Technician**

Experience, Overnights, and Weekends are **REQUIRED**, and the candidate will be expected to perform the following functions:

- Receive, handle and treat patients with skill, compassion and care including: monitoring during anesthesia, administering fluids, assisting in diagnosing, surgery and general and specialized nursing care.
- Accurately perform laboratory tests.
- Accurately dispense and administer medications and vaccines.
- Input data into computer software system.
- Ability to observe animal appearance and activity for general physical condition, obvious signs of illness, disease and discontent.
- Regular attendance and timeliness are an essential function in order to fulfill the requirements of this position.
- Strong communication and client service skills. Considerable tact is required. Ability to work with clients and patients in a professional, friendly, hospitable manner.
- Work well with all team members and ensure that your actions support the hospital, the doctors, and the practice philosophy.
- Perform general physical activities that require bending, standing, stooping, moving from room to room, sit, talk, and listen; may be required to walk or stand for long periods of time; will use hands to manipulate, handle, or feel; will reach with hands and arms.
- Frequently lift, carry and handle dogs weighing 50 lbs.
